Dr Fraser Brown
Dr Jonathon Saner

Do you have Diabetes?

If you are diabetic it is important that you tell our reception staff when you book

Fasting for a CT or X-Ray:

- You only need to fast for certain types of CT and X-Ray
- The receptionist will tell you if you need to fast
- You only need to fast for 2 hours for a CT or X-Ray, so fast between meals
- If you feel unwell when fasting, check your blood sugar levels or contact your doctor

Fasting for an Ultrasound:

- Please tell the receptionist that you are diabetic when you book
- If you are diabetic do not fast for more than 6 hours
- When fasting do not take your diabetic medication
- If you feel unwell when fasting, check your blood sugar levels or contact your doctor

Your doctor has recommended that you use Radiology Tasmania. You may choose another provider but please discuss this with your doctor first.

Please phone us to book an appointment...
